MATHURA OVERSEAS
YOUR GATEWAY TO A GLOBAL MEDICAL CAREER

EDITION
2026–27
UPDATED NOV 2026

A GUIDE FOR STUDENTS & PARENTS

The MBBS Abroad Handbook

From Class 12 to a licensed doctor in India: NEET, counselling, the NMC rules, FMGE & NExT, real costs and an honest guide to every destination. Short, clear and checked against 2026 notices.

FOR STUDENTS
What to study, where you'll fit in, the exams ahead and how to beat FMGE.

FOR PARENTS
What it really costs, what's safe, which rules protect your child's degree.

DESTINATIONS INSIDE

Philippines · Russia · Uzbekistan · Georgia · Kazakhstan · Kyrgyzstan · Vietnam · Nepal · Bangladesh · Mauritius · Timor-Leste · Caribbean

INSIDE

Read it in an evening. Use it for six years.

Every chapter fits on a page or two. Look for the two coloured tags as you read.

FOR STUDENTS

Teal notes are for you: exams, study habits, life on campus and what will make you a better doctor.

FOR PARENTS

Blue notes are for you: costs, safety, paperwork and the rules that decide whether the degree counts in India.

How we help, and where every fact comes from

General educational guidance. Facts marked AS OF were checked in 2026. Yearly costs are indicative averages; university fees are each university's published 2026–27 tuition, checked Nov 2026, at 1 US$ = ₹95 (26 Oct 2026). Always confirm the latest NMC, NBEMS and NTA notices and the university's own fee letter before paying.

START HERE

01 2026 in one page

More changed for MBBS-abroad families this year than in any recent year. If you read nothing else, read this.

3 May → 21 Jun — **NEET-UG was held twice** INDIA

NTA cancelled the 3 May exam over an alleged paper leak; the Re-NEET on 21 June qualified 11.21 lakh candidates. Cut-off marks rose sharply.

18 Mar — **NMC notice on internships for foreign graduates** INDIA

One year of CRMI internship in India after FMGE; online years must be made up; internship to finish within 10 years of joining abroad.

1 Apr → Jul — **Uzbekistan advisory — not a ban** CHECK

NMC asked students to verify intake, clinical training and English teaching. The Indian Embassy in Tashkent clarified it is precautionary.

5 Dec 2025 — **Georgia: new students join private universities only** CHECK

State universities stopped taking new foreign students. NMC and Georgia's NCEQE are still discussing the "junior doctor" licence question (Sep–Oct 2026).

May → Oct — **Kazakhstan moves to a 7-year course** PLAN

From the 2026 intake: six years at university plus a year as an intern-doctor. The Indian Embassy says plan for seven years.

4 Jun — **Kyrgyzstan's accreditation results** CHECK

Only some universities won full six-year accreditation; 13 failed. The Indian Embassy advises students to avoid the failed and one-year groups.

7 Jul — **FMGE June 2026: a pass rate of about 12–13%** PREPARE

The toughest result in years. First-time candidates did far better (~35%) — early, steady preparation matters most.

Aug 2026 — **NExT is still years away** CLARITY

NMC's draft keeps FMGE as the licensing exam for foreign graduates until NExT comes into force.

Nov 2026 — **Closer to home** GOOD NEWS

Direct Chennai–Dhaka flights (2 h 40 m) start 13 Nov; Bangladesh resumed visas for Indians in February. Nepal's licence for foreign graduates has been on equal terms since Nov 2024.

FOR PARENTS

Most 2026 changes are about **choosing the right university within a country**, not avoiding countries. That is why every recommendation in this book comes with a written check of the NMC conditions.

THE BIG PICTURE

02 Your roadmap after Class 12

An MBBS abroad is a 7–8 year path with clear checkpoints. Here is the whole road, so nothing surprises you.

1. **Class 12 with PCB + English** INDIA
   50% in Physics, Chemistry, Biology (40% for SC/ST/OBC). 17 years old by 31 December of the admission year.
2. **Qualify NEET-UG** INDIA
   Mandatory to practise in India later — even with a foreign degree. The result stays valid for three years.
3. **Try Indian counselling first** INDIA
   MCC and state rounds. Prepare your abroad option in parallel, not instead.
4. **Choose an NMC-compliant university** ABROAD
   54+ months of study, English throughout, 12-month internship at the same place, licence eligibility there.
5. **Study, intern, prepare** ABROAD
   5.5–7 years depending on the country. Start FMGE revision in your first year.
6. **Pass FMGE (NExT when it arrives)** INDIA
   The screening test for foreign medical graduates, held by NBEMS twice a year.
7. **12-month CRMI internship, then register** INDIA
   Then you are a registered doctor in India.

54 mo
MINIMUM STUDY ABROAD

12 + 12
MONTHS OF INTERNSHIP: ABROAD, THEN INDIA

FOR STUDENTS

Is it right for you? Tick honestly:

- I can live away from home for six years or more.
- I'll learn the local language to talk to patients.
- I'll study for FMGE steadily from year one.
- I'll choose by quality, not the lowest fee.

FOR PARENTS

Budget the **whole course**, not the first-year fee: tuition, hostel, food, flights, visa, insurance and FMGE coaching.

> *"Choosing the right university matters far more than choosing the lowest tuition fee."*

THE GATEWAY

03 NEET–UG & counselling

One exam opens both doors: an Indian seat, and a foreign degree that counts back home.

3 May
NEET-UG 2026 HELD, THEN CANCELLED (12 MAY)

21 Jun
RE-NEET UG 2026 CONDUCTED

11.21 L
CANDIDATES QUALIFIED

3 yrs
A NEET RESULT STAYS VALID FOR ABROAD

Qualifying cut-off, Re-NEET UG 2026 JUL 2026

CATEGORY	PERCENTILE	2026 MARKS	2025 MARKS
General / EWS	50th	**715 – 213**	686 – 144

General / EWS – PwBD	45th	**212 – 194**	143 – 127
OBC / SC / ST – PwBD	40th	**193 – 177**	126 – 113

Source: NTA via Careers360 (16 Jul 2026). Percentiles were unchanged; marks rose with the score distribution.

How Indian counselling works

MCC — All India
15% All India Quota in government colleges, deemed & central universities, AIIMS and JIPMER. 2026: Round 1 from 5 Aug, Round 2 from 25 Aug, Round 3 from 11 Sep, stray vacancy to early Oct.

State counselling
The other 85% of government seats plus private and management seats, on each state's own portal. 2026 state rounds ran from 13 Aug to about 10 Oct.

Each round: seat matrix → register & pay → fill and lock choices → allotment → report and join.

FOR STUDENTS

Most foreign intakes start in **September–October**, the same weeks as MCC Rounds 2–3. Shortlist abroad in June so one good result doesn't cost you the other option.

FOR PARENTS

Get the **passport** made during Class 12. It is the document that most often delays an abroad admission.

PROTECT THE DEGREE

04 The NMC rulebook

The Foreign Medical Graduate Licentiate (FMGL) Regulations, 2021, still decide in 2026 whether a foreign degree counts in India.

54 mo	12 mo	English	+12 mo
MINIMUM COURSE	INTERNSHIP, SAME INSTITUTION	THROUGHOUT THE COURSE	CRMI IN INDIA AFTER FMGE

The ten conditions

01 **At least 54 months** of study, not counting the internship.

02 **A 12-month internship** at the same foreign institution.

03 **English medium** for the whole course — not just the early years.

04 **Indian MBBS subjects** (NMC Schedule-I) in theory and practice.

05 **Licence eligibility** in that country, on par with its own graduates.

06 **Real clinical training** with patients, in person.

07 **Same institution, same country** — no split courses or transfers.

08 **No offshore "India campuses"** or study centres outside the country.

09 **Pass FMGE** (NExT once it is in force).

10 **12-month CRMI** in India, then permanent registration.

NEW · 18 MARCH 2026

Students admitted on or after 18 Nov 2021 do one year of CRMI in India after FMGE. Online years not made up abroad mean 1–2 years of clinical clerkship in India. Internship must finish within **10 years** of joining abroad.

RED FLAGS — WALK AWAY

- No written internship plan, or the internship is "done in India".
- "English medium" only on paper; clinical years in the local language.
- Classes partly run from an Indian city.
- Fees asked into a personal account, or "seat only today".
- Anyone promising "guaranteed registration" or "100% FMGE pass".

AFTER THE DEGREE

05 FMGE today, NExT tomorrow

Your degree is the start. The licensing exam decides when you start practising in India.

300	150	No	2× / yr
MULTIPLE-CHOICE QUESTIONS	MARKS TO PASS (50%)	NEGATIVE MARKING	JUNE & DECEMBER SESSIONS

The pass-rate reality OCT 2026

SESSION	RESULT	WHAT IT TELLS YOU
December 2025	**10,264 passed**	More than three in four candidates did not pass.
June 2026	**~12–13%**	The toughest result in years (declared 7 July 2026).
June 2026, first attempt	**~35%**	About 88% of candidates were repeaters. Fresh, prepared graduates do far better.

Next session: FMGE December 2026 is scheduled for **9 January 2027** (provisional, NBEMS). NBEMS does not publish official pass rates by university.

And NExT?

The plan
One National Exit Test for all graduates, Indian and foreign, replacing FMGE and NEET-PG.

The status OCT 2026
Deferred by 3–4 years. NMC's August 2026 draft keeps FMGE for registration until NExT comes into force. **Prepare for FMGE.**

FOR STUDENTS — BEAT THE ODDS

- Revise from year one with Indian standard textbooks.
- Solve MCQs every week from a question bank.
- Treat ward postings as exam prep.
- Join structured coaching in the clinical years, not after graduating.
- Make your first attempt count.

FOR PARENTS

Budget for **FMGE coaching** in the final years. Ask any university for its students' FMGE results, and treat any "100% pass" advert as a warning sign.

CLEAR THE NOISE

06 Myth vs. fact

Most bad decisions start with a confident sentence from someone who won't be around when the results come out.

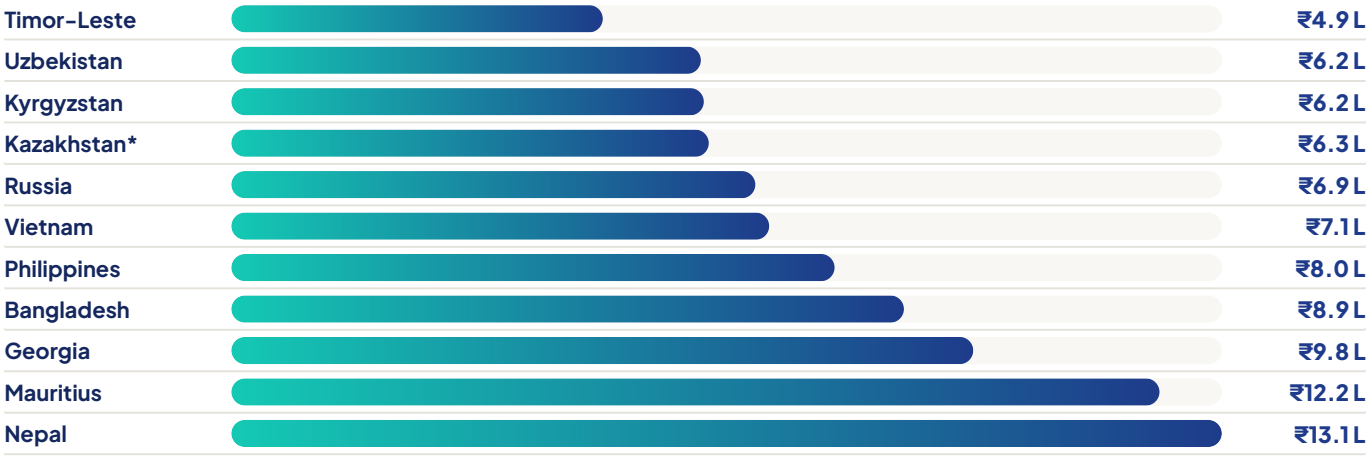

WHAT YOU HEAR	WHAT'S TRUE
MBBS abroad is only for students with low NEET scores.	Many high scorers choose it for cost, international exposure or a USMLE route.
Every foreign medical degree is valid in India.	Only degrees that meet FMGL 2021, followed by FMGE and CRMI, lead to registration in India.
"NMC approved" universities are on an official list.	NMC publishes no approved list. It checks each graduate's course against FMGL 2021, so the paperwork for your batch matters.
The cheapest university is the smartest choice.	A ₹2–3 lakh saving means nothing if weak clinical training costs years at FMGE.
English medium means no local language needed.	Patients speak the local language. You need it for the wards — and in Vietnam and Kazakhstan, for the internship and licence.
An NMC advisory means the country is banned.	Advisories name specific concerns. The Embassy in Tashkent called the 2026 Uzbekistan advisory precautionary, not a ban.
A 5-year course with the internship "done in India" is fine.	NMC needs the 12-month internship at the same foreign institution. Those tracks don't qualify.
NExT is coming, so FMGE preparation can wait.	NExT is deferred by 3–4 years. FMGE remains the exam for foreign graduates.
"This university has a 100% FMGE pass rate."	NBEMS publishes no official university-wise pass rates. Ask for the source.
Final-year coaching is enough for FMGE.	First-time, well-prepared graduates pass at about three times the overall rate. Steady preparation wins.

SIDE BY SIDE

07 Compare & choose

What an average year really costs — tuition, hostel, food, travel and visa together — and which country fits whom.

An average year, all-in NOV 2026

*Kazakhstan: information only — no universities on our list for 2026. Caribbean: about **₹61 L** for a typical MD year — off this scale. Nepal's single course fee is spread here over 5.5 years. Indicative averages from our country pages, Nov 2026; 1 US$ = ₹95.

Course length & travel

COUNTRY	TUITION FROM	COURSE	FROM CHENNAI	LANGUAGE AT THE BEDSIDE
Bangladesh	₹8 L / yr avg.	5 + 1 yrs	2 h 40 m direct	Bangla
Mauritius	₹7.6 L / yr	5 + 1 yrs	5 h 50 m non-stop	Creole & French
Nepal	₹55 L course	5.5 yrs	~7 h, or by road	Nepali; Hindi understood
Uzbekistan	₹3.3 L / yr	6 yrs	~8 h	Uzbek & Russian
Vietnam	₹3.9 L / yr	6 yrs	~8 h	Vietnamese
Georgia	₹5.7 L / yr	6 yrs	~9 h	Georgian
Kyrgyzstan	₹3.3 L / yr	6 yrs	9–10 h	Kyrgyz & Russian
Philippines	₹2.8 L / yr	~6–7 yrs incl. pre-med	~10 h	English
Russia	₹4.4 L / yr	6 yrs	~12.5 h	Russian
Timor-Leste	₹2.5 L / yr	5.5 yrs	20–24 h	Tetum & Portuguese

Which country fits you?

LOWEST YEARLY BUDGET
Timor-Leste · Uzbekistan · Kyrgyzstan

ENGLISH EVERYWHERE
Philippines

CLOSEST TO HOME
Bangladesh · Nepal · Mauritius (non-stop)

INDIAN-STYLE SYLLABUS
Timor-Leste · Bangladesh · Nepal

STRONG FMGE RECORD
Bangladesh · Mauritius

LONG-ESTABLISHED STATE UNIVERSITIES
Russia · Uzbekistan · Kyrgyzstan

A US CAREER (USMLE)
Philippines · accredited Caribbean schools

COUNTRY BY COUNTRY

08 Destination guide

Teal: why students choose it. Blue: what parents should know. Highlighted universities are our featured picks.

PH Philippines

US-pattern Doctor of Medicine, in a country that speaks English everywhere

AVERAGE YEAR, ALL-IN
₹8 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
~6–7 yrs incl. pre-med	₹2.8–5.2 L / yr	₹18–35 L tuition	~10 h · 1 stop	Tropical, 25–32°C

WHY STUDENTS CHOOSE IT

- English in class, on the ward and at the corner shop
- US-pattern MD — a first step to the USMLE too
- Dengue, TB, typhoid: the same cases you will treat in India

PARENTS SHOULD KNOW

CHED letter, 8 May 2025: the MD from a CHED-recognised school meets India's FMGL rules. NMC counts only the 54-month MD, not the pre-med BS.

Still open: the Philippine licence exam for Indian graduates (Embassy advisory, 17 June 2026) — we show you the latest position before you pay.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

- **UV Gullas College of Medicine** · Cebu · ₹3.8 L
- **Davao Medical School Foundation** · Davao · ₹5.2 L
- **Lyceum-Northwestern University** · Dagupan · ₹2.8 L
- **Southwestern University PHINMA** · Cebu · ₹3.6 L
- **Brokenshire College of Medicine** · Davao · ₹3.3 L

Best for: families who want English everywhere and a US-style degree.

RU Russia

State medical universities with up to two centuries of teaching behind them

AVERAGE YEAR, ALL-IN
₹6.9 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
6 years	₹4.4–7.7 L / yr	₹26–46 L tuition	~12.5 h · 1 stop	Snow mid-Oct to April

WHY STUDENTS CHOOSE IT

- Kazan has taught medicine since 1814
- Big university hospitals — Rostov 860 beds, Ufa 755
- Seniors from your state: 15,000+ Indian medical students

PARENTS, PLEASE NOTE

The one question to settle: is it English for all six years? India's MEA warns some courses switch to Russian from year 4 — that can fail NMC's rule.

Money: Indian Visa/Mastercard cards don't work in Russia; fees are paid in roubles at a bank.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

- **Rostov SMU** · Rostov-on-Don · ₹4.4 L
- **Orenburg SMU** · Orenburg · ₹5.5 L
- **Kursk SMU** · Kursk · ₹5.7 L
- **Volgograd SMU** · Volgograd · ₹5.7 L
- **Bashkir SMU** · Ufa · ₹5.8 L
- **Kazan State Medical University** · Kazan · ₹7.5 L
- **Kazan Federal University** · Kazan · ₹7.7 L

Best for: students who want a long-established government university and can handle real winters.

UZ

Uzbekistan

Government universities on the Silk Road, with fees that stay within reach

AVERAGE YEAR, ALL-IN
₹6.2 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
6 years	₹3.3–3.7 L / yr	₹20–22 L tuition	~8 h · 1 stop	Hot summers, cold winters

WHY STUDENTS CHOOSE IT

- Government universities — Samarkand dates from 1930
- Direct flights from Delhi & Hyderabad; only 30 min behind IST
- Indian mess options in Tashkent and Samarkand

PARENTS, PLEASE NOTE

NMC advisory, 1 April 2026 asked students to check intake capacity, hands-on clinical training and English teaching. It named Bukhara, Samarkand and Tashkent SMU.

Not a ban: the Embassy of India, Tashkent clarified this in July 2026. Some universities charge more in year 1 — we confirm every point in writing.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

Fergana Medical Inst. of Public Health · Fergana · ₹3.3 L | **Tashkent SMU** · Tashkent · ₹3.3 L | **Bukhara SMI** · Bukhara · ₹3.3 L | **Andijan SMU** · Andijan · ₹3.3 L | **Alfraganus University** · Tashkent · ₹3.3 L | **Samarkand SMU** · Samarkand · ₹3.7 L

Best for: budget-minded families wanting a government university close to home.

GE

Georgia

A European-style six-year MD in Tbilisi, taught in English to the wards

AVERAGE YEAR, ALL-IN
₹9.8 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
6-year MD (360 ECTS)	₹5.7–6.7 L / yr	₹34–40 L tuition	~9 h · 1 stop	4 seasons, short winters

WHY STUDENTS CHOOSE IT

- Europe's ECTS credit system; English through clinical training
- A full internship year in teaching hospitals
- 20,000–25,000 Indian students and a resident Indian embassy

PARENTS, PLEASE NOTE

Since the 2026–27 intake state universities no longer admit new foreign students — new students join private universities.

The 'junior doctor' question: NMC (24 Sep 2026) says it counts only if Georgian law allows practice at the required level; Georgia's NCEQE replied on 14 Oct 2026. Not yet settled.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

The University of Georgia · Tbilisi · ₹6.2 L | **David Tvildiani Medical University** · USMLE-focused · ₹5.7 L | **Georgian American University** · Tbilisi · ₹6.2 L | **Tbilisi Medical Academy** · Tbilisi · ₹6.7 L | **New Vision University** · Tbilisi · ₹6.7 L

Best for: students who want a European campus life and can wait for NMC clarity.

KG

Kyrgyzstan

Low fees beneath the Ala-Too peaks — now with compulsory state accreditation

AVERAGE YEAR, ALL-IN
₹6.2 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
6 years	₹3.3–5.7 L / yr	₹20–34 L tuition	9–10 h · 1 stop	Snowy winters

WHY STUDENTS CHOOSE IT

- A state medical academy since 1939
- Government minimum fee: US$3,000 a year
- Only 30 min ahead of India

PARENTS, PLEASE NOTE

June 2026 accreditation: only some universities got six-year accreditation; the Embassy (13 July 2026) advises against the rest. We list accredited and state universities only.

Year 1 costs more at several universities, and 5-year tracks with the internship 'done in India' fail NMC's rules.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

International Higher School of Medicine · Bishkek · ₹5.7 L
Kyrgyz State Medical Academy · Bishkek · ₹4 L
Osh State University · Osh · ₹3.8 L
International University of Kyrgyzstan · Bishkek · ₹4.8 L
Asian International University · Kant · ₹3.3 L

Best for: tight budgets — at an accredited university only.

VN

Vietnam

English-taught medicine a short flight east, in big-city hospitals

AVERAGE YEAR, ALL-IN
₹7.1 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
6 years	₹3.9–5.4 L / yr	₹23–37 L tuition	~8 h · 1 stop	Tropical south, cool Hanoi winter

WHY STUDENTS CHOOSE IT

- Non-stop flights from Bengaluru, Hyderabad, Kochi
- English programmes built for NEET-qualified Indians
- Training in hospitals like Cho Ray, HCMC

PARENTS SHOULD KNOW

Language: patients speak Vietnamese — the Embassy says you need it for clinical years.

From 2027 Vietnam's licence exam is likely to be in Vietnamese (Embassy, 5 June 2026). Government universities raise fees about 10% a year.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

Dai Nam University · Hanoi · ₹3.9 L
Dong A University · Da Nang · ₹4.3 L
Mekong University · Vinh Long · ₹4.3 L
Can Tho UMP · Can Tho · ₹4.8 L
UHS, VNU-HCM · HCMC · ₹4.8 L
Buon Ma Thuot MU · Central Highlands · ₹4.8 L
Phan Chau Trinh University · Da Nang · ₹4.9 L
Hong Bang International University · HCMC · ₹5.4 L

Best for: students ready to learn Vietnamese for a newer, close destination.

NP Nepal

Become a doctor just across the border — no visa, no new script

AVERAGE YEAR, ALL-IN
₹13.1 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
5.5 years	One course fee	₹55–70 L full course	~7 h · or by road	Monsoon Jun–Sep

WHY STUDENTS CHOOSE IT

- No visa for Indian citizens; 15 min ahead of IST
- Food, festivals and Devanagari feel like home
- Licence on equal terms since Nov 2024

PARENTS SHOULD KNOW

Seats come only through MEC (Medical Education Commission): sit MECEE-BL, or apply with a NEET percentile of 50+. Distrust anyone who 'guarantees' a named college.

Higher cost: one course fee, collected in large instalments in the first years.

UNIVERSITIES ON OUR LIST · FULL-COURSE FEE

- **Kathmandu Medical College** · Kathmandu · ₹57 L
- **Universal College of Medical Sciences** · Bhairahawa · ₹55 L
- **Nepal Medical College** · Kathmandu · ₹60 L
- **Nepalgunj Medical College** · Nepalgunj · ₹60 L
- **Manipal College of Medical Sciences** · Pokhara · ₹70 L

Best for: families who want their child close, with no visa and familiar culture.

BD Bangladesh

The closest MBBS abroad — a course built much like India's

AVERAGE YEAR, ALL-IN
₹8.9 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
5 yrs + 1-yr internship	₹8–8.9 L / yr (avg.)	₹40–45 L package	2 h 40 m direct	Like Chennai or Kolkata

WHY STUDENTS CHOOSE IT

- Highest FMGE pass rate of major destinations in 2023 (26.8%); 32.4% in 2024
- Busy teaching hospitals of 390–750 beds
- Direct Chennai–Dhaka flights from 13 Nov 2026

PARENTS, PLEASE NOTE

Calm is recent: unrest in Aug 2024 and Dec 2025; calmer since the Feb 2026 election, and visas resumed 20 Feb 2026.

Cash flow: one package for the course, half or more collected at admission. Some teachers explain in Bangla.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

- **Holy Family Red Crescent MC** · Dhaka · ₹8.9 L
- **Bangladesh Medical College** · Dhaka · ₹8.9 L
- **Jahurul Islam Medical College** · Kishoreganj · ₹8 L
- **Eastern Medical College** · Cumilla · ₹8.2 L
- **Khwaja Yunus Ali Medical College** · Sirajganj · ₹8.9 L

Best for: students who want an India-like syllabus and a strong FMGE track record.

MU

Mauritius

An English-medium MBBS on an island where most families share Indian roots

AVERAGE YEAR, ALL-IN
₹12.3 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
5 yrs + 1-yr internship	₹7.6–11.4 L / yr	₹38–57 L tuition	5 h 50 m non-stop	Tropical, 24–30°C

WHY STUDENTS CHOOSE IT

- FMGE Dec 2025: 42.9% passed, against 23.9% of all candidates
- Non-stop from Chennai; only 1 h 30 m behind IST
- Diwali is a public holiday; vegetarian food is easy to find

PARENTS, PLEASE NOTE

The one rule to check: NMC needs the 12-month internship in Mauritius. SSR has a Ministry of Health arrangement (May 2022); Anna's own page has said foreign students intern at home.

New college: JSS Mauritius took its first students in Feb 2026, so it has no FMGE record yet. We get every internship plan in writing.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

Anna Medical College · Montagne Blanche · ₹7.6 L

SSR Medical College · Belle Rive · ₹7.6 L

JSS Academy, Mauritius · Vacoas · ₹11.4 L

Best for: families who want a short flight, English teaching and a strong FMGE record.

TL

Timor-Leste

An Indian-style MBBS by the Timor Sea, on India's own CBME curriculum

AVERAGE YEAR, ALL-IN
₹4.9 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
5.5 years	₹2.5 L / yr flat	~₹24.5 L all-in	20–24 h via Singapore	Tropical, 21–32°C

WHY STUDENTS CHOOSE IT

- CBME — the framework Indian colleges follow
- The lowest tuition we list, the same every year, no donation
- Indian mess, 24-hour hostel security, girls' block

PARENTS SHOULD KNOW

A young programme: the first international batch began in 2024, so there is no FMGE track record yet.

Recognised at home: A-grade national accreditation (March 2025) and listed in the World Directory of Medical Schools.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

Universidade Católica Timorense (UCT) · Dili · ₹2.5 L

Best for: families who need a firm, low budget and an Indian syllabus.

KZ

Kazakhstan

An information guide for 2026 — the course has just grown to seven years

AVERAGE YEAR, ALL-IN
₹6.3 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
7 yrs from 2026 intake	₹3–5 L / yr	₹34–46 L all-in (7 yrs)	~9 h · 1 stop	Snowy winters

WHY STUDENTS CHOOSE IT

- State medical universities since 1930 (Almaty)
- A full year on the wards as an 'intern-doctor'
- Almaty–Delhi direct in ~3.5 h

PARENTS SHOULD KNOW

New in 2026: six years at university plus a one-year internship — seven in all. The Embassy (1 Oct 2026) says plan for seven.

Avoid the 'six-year fast-track' until a Kazakh licence for it is officially confirmed — NMC needs that licence.

UNIVERSITIES

None on our list for the 2026 intake while the seven-year route settles — ask us before you apply.

Best for: families planning for seven years — talk to us before you choose a university here.

CB

Caribbean

US-style MD for students set on the USMLE — not built around India's rules

AVERAGE YEAR, ALL-IN
₹61 L
tuition + hostel + living

COURSE	TUITION	FULL COURSE	FROM CHENNAI	CLIMATE
4-yr MD; 5.5–6 incl. pre-med	₹17–93 L / yr	₹0.9–3.7 Cr MD fees	2–3 stops · US visa	Tropical; storms Jun–Nov

WHY STUDENTS CHOOSE IT

- Taught for the USMLE, rotations often in US hospitals
- WFME-recognised accreditors (CAAM-HP, ACCM) — needed for ECFMG
- Several intakes a year

PARENTS, PLEASE NOTE

A reference list, not partners: we list only schools whose accreditor is WFME-recognised. Yearly figures average official tuition and school fees.

For India: rotations abroad and ~4-year MDs often fail FMGL's same-institution, 54 + 12-month rules.

UNIVERSITIES ON OUR LIST · TUITION A YEAR

- **Texila American University** · Guyana · ₹17 L
- **Saint James School of Medicine** · St Vincent · ₹29 L
- **Avalon University** · Curaçao · ₹34 L
- **Trinity School of Medicine** · St Vincent · ₹47 L
- **Medical University of the Americas** · Nevis · ₹48 L
- **St George's University** · Grenada · ₹93 L

Best for: students whose goal is the USA or Canada, with a large budget.

FOR STUDENTS

Still deciding? Use the free MBBS Abroad Planner on our website to check your eligibility and compare countries in a minute.

FOR PARENTS

Heard about a university not listed here? Send us its name on WhatsApp. We check its accreditation, internship, language and every NMC condition, in writing and free of charge.

> *"Never finalise a university from a social media ad or a fee chart. Ask for the curriculum, internship, hospitals and NMC compliance — in writing."*

STEP BY STEP

09 Admission, visa & documents

A planned admission saves money, avoids stress and gets you the university you actually want.

01 Qualify NEET-UG
Keep the scorecard and admit card safe.

02 Free counselling
Your score, budget and long-term goal, in one honest conversation.

03 Shortlist & verify
NMC conditions, accreditation and advisories checked in writing.

04 Apply
Get your offer or admission letter (in Nepal, through the MEC portal; in Bangladesh, through DGME).

05 Read the fine print
Check the admission letter, fee invoice and refund policy together.

06 Pay safely
Only to the university's official account, against an official receipt.

07 Visa
Invitation letter, then student visa. Nepal needs none for Indians.

08 Fly & register
Airport pickup, hostel, local registration within days, orientation.

A typical year for a Class 12 student

Feb–Mar	May	Jun	Jul	Aug	Sep–Oct
Board exams · apply for passport	NEET-UG (usual window)	Result · shortlist abroad	Apply · offer letters	MCC Round 1 · visa file	Fly · classes begin

2027 dates are not announced yet (as of Nov 2026). Bangladesh, Mauritius (Aug/Sep and Feb/Mar intakes) and the Caribbean run on different calendars — ask us.

Documents to keep ready

- [ ] Passport
- [ ] NEET-UG scorecard
- [ ] Class 10 & 12 mark sheets
- [ ] Birth certificate
- [ ] Passport photos
- [ ] Medical fitness (often HIV test)
- [ ] Bank statements
- [ ] Admission & invitation letters

Some countries need apostille (Russia, Georgia), an equivalence certificate (Bangladesh) or police clearance (Uzbekistan).

FOR STUDENTS

Carry one printed set of everything in your hand luggage and keep a digital set in your email.

NEVER

Pay into a personal account, or pay because someone says the seat is "only available today".

FOR MOTHERS & FATHERS

10 Parents' corner

The questions parents ask us most, answered plainly.

MONEY

- Plan the **whole course**: tuition + hostel + food + flights + visa + insurance + coaching.
- Ask how fees are collected — Nepal and Bangladesh take large sums up front.
- In Russia, Indian cards don't work; in Timor-Leste the currency is the US dollar.
- Students on study visas usually cannot work part-time (Kazakhstan says so explicitly).

SAFETY

- Choose hostels with 24-hour security; ask about girls' blocks and wardens.
- Save the Indian Embassy's emergency numbers on day one.
- Register locally within the deadline (5–7 days in Kazakhstan and Russia).
- Agree a weekly call time — time differences are small in most countries.

Costly mistakes we see every year

MISTAKE	WHY IT HURTS
Choosing on price alone	Weak clinical training can cost years at FMGE.
Ignoring the internship rule	An internship "done in India" or elsewhere can void the degree for registration.
Believing "100% pass" adverts	No official university-wise data exists.
Skipping embassy advisories	2026 advisories named specific universities in Uzbekistan and Kyrgyzstan.
Starting FMGE prep after graduation	First attempts are the best chance — repeaters pass far less often.

Before paying any fee, can you say "yes" to all of these?

- ✓ NEET-UG is qualified and valid.
- ✓ The course is 54+ months, in English throughout.
- ✓ The 12-month internship is at the same university.
- ✓ Graduates can get a licence in that country.
- ✓ The university is not on any current advisory list.
- ✓ We know the total cost, not just year one.
- ✓ We spoke to current Indian students.
- ✓ Every promise is in writing.

WHO WE ARE

11 Why Mathura Overseas

"We don't just help you secure admission — we help you build your medical career."

Before admission

- Free, honest counselling
- Shortlists checked against NMC rules and advisories
- Fees and promises in writing

Visa to arrival

- Documents, apostille and visa file
- Flights, forex and airport pickup
- Hostel and local registration

All the years after

- Student and parent support
- FMGE preparation guidance
- Updates when rules change
